

HULC / Rehab Rounds

Spinal Accessory Nerve Palsy Whiplash....
Not a laughing matter, “a negative emotion”
can be a solution.

Christopher Doherty, MD, FRSCS
Thomas Miller, MD, FRCPC

Monday, September 21st, 2015
7:00 – 8:00am

MSR Shuttleworth Auditorium
Room D0-104

Learning Objectives:

1. Discuss the etiology, clinical presentation and outcomes in trauma of a Spinal Accessory nerve palsy.
2. Outline 3 cases and discuss the Surgical option of nerve transfer surgery in improving function.

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada, approved by Department of Physical Medicine and Rehabilitation.

Sponsorship provided by Pfizer Canada Inc.
