This policy applies to: St. Joseph's Parkwood Mount Hope RMHCST

Similar policy at LHSC: **Policy Name:** Observer Policy (Medical and Non-Medical)
Policy Owner(s): Director, Medical Affairs

POLICY

St Joseph's Health Care, London (St. Joseph's) is committed to teaching and to offering learning experiences to individuals who are not staff or [affiliates](#) of St. Joseph's. These individuals, called [Observers](#) are offered an opportunity to attend at the organization to gain knowledge and expertise about health care and/or the functioning of the organization. This may involve the opportunity to observe specific procedures and/or patient care processes.

Approval from the relevant Department Chief, Program Director, Manager Professional Practice, Clinical Coordinator or delegate must be obtained prior to agreeing to the presence of the Observer, and the individual approving the Observership must consider whether the Observership is consistent with and based on:

- The mission and values of the organization.
- Ensuring the safety of, the patient (if the patient is capable with respect to the treatment) or the patient's Substitute Decision Maker (SDM) (if the patient is incapable with respect to the treatment). Hereafter referred to as patient/SDM.
- Respecting and maintaining the privacy of the patient and his/her family.
- Protecting the confidentiality of patient information and confidential business information of the organization.

Roles of an Observer

An Observer is not permitted, in any circumstances, to provide any patient care. This prohibition includes **but is not limited to:**

- taking a medical history,
- conducting physical examinations,
- diagnosing or treating patient's condition,
- ordering, preparing or administering drugs,
- documenting on patients' health records, either in electronic or hard copy format,
- having independent access to health records, either in electronic or hard copy format,
- performing or assisting in surgical procedures, or diagnostic patient interventions,
- obtaining consent,
- interacting directly with patient/SDM,
- providing health care advice.

Observers and Patient Access

- If it is anticipated that the Observer will be present during any contact with a patient/SDM, the [Sponsor](#) must request verbal consent from the patient/SDM to allow the Observer to be present at the time of the clinical visit, procedure or other patient service.
- The Sponsor will introduce the Observer to the patient/SDM and explain the reason for the observership.
- The Sponsor will document patient/SDM consent in the patient's health record.

Attendance by an Observer **should not exceed 12 weeks** unless an extended period is deemed necessary by the Department Chief (or Division Leader), Sponsor and the Observer

An Observer is not considered an employee or affiliate of the Hospital and therefore is not:

- Entitled to salary, benefits, reimbursement of expenses or other forms of compensation.
- Covered under the Workplace Safety and Insurance Board (WSIB).
- Covered under the organization's liability insurance.
- Entitled to receive educational credit or certification from the organization for time spent observing.
- Entitled access to Occupational Health Services.

Custom tours for researchers, scientists, physicians, hospital administrators and staff from other hospitals, health care agencies and government have a Sponsor who must comply with the procedure and rules as outlined below. Any request for a custom tour involving more than one program, must ensure that all programs are notified prior to the agreed upon tour date.

St. Joseph's may terminate an Observership at any time at its sole discretion. Concerns regarding the appropriateness of the Observer will be addressed by the Sponsor and, if necessary, by the Sponsoring department/program chief/leader. Concerns regarding the appropriateness of an Observer in Perioperative Care will be dealt with by the Perioperative Coordinator, the Chief of Surgery, and/or the Chief of Anesthesia.

PROCEDURE

1. At least one week prior to the Observership

Responsibilities of Sponsor:

- Provide Observer with [documentation package](#) (link to documentation) to complete and submit to the Sponsor at least one week prior to the planned attendance of the Observer.
- Review completed documentation submitted by Observer to ensure that information provided is complete, forms signed and the request for Observership is compliant with this policy.
- Forward the completed and signed documentation to the appropriate leaders (i.e. Department Chief, Division Chief, Site Chief, Program Director, Manager Professional Practice, Clinical Coordinator, or delegate) for their review and approval/support.
- Once approved/supported by appropriate leaders, submit all required documentation to:
 - City Wide Medical Affairs – if Observer Sponsor is a physician/dentist/midwife.
 - Relevant Manager Professional Practice – if Observer Sponsor is not a physician/dentist/midwife.

Responsibilities of Observer:

- Review the [documentation package](#).
- Complete & sign:
 - [Observer Request Form](#) (Appendix A)
 - [Observer Confidentiality Agreement](#) (Appendix B)
 - [Medical and Non-Medical Observers - Self-Screening Health Evaluation](#) (Appendix C)
 - [Infection Prevention and Core Competency Training](#) (Appendix D)

Forward all documentation requirements to the Sponsor at least one week prior to the requested date of attendance.

Responsibilities of Department Chief, Division Chief, Site Chief, Program Director, Manager Professional Practice, Clinical Coordinator or delegate:

- Review the Observer's completed documentation and provide support/approval for the Observership, or decline the Observer's request if the request is not consistent with this [policy](#).

Responsibilities of Medical Affairs /Manager Professional Practice, Clinical Coordinator or delegate:

- Notify relevant leader(s) and/or staff members for all departments/programs/services/areas of which the Observer will be attending by identifying the Observer's name and Sponsor (e.g. inform the Perioperative Service Manager/Director if the Observer will be in the OR).
- Retain all Observer documentation for a minimum of six years after the completion of the Observership.

2. On the Observer's arrival date:

Responsibilities of Sponsor:

- Validate the Observer's photo identification (e.g. Passport photo, valid Driver's License), where applicable.
- Ensure receipt of any outstanding documentation information, i.e. credentialing or certification requirements are obtained, if necessary.
- Facilitate Observer obtaining a St. Joseph's visitor badge by signing-out one of the generic/visitor badges in the Security office where the Observership is affiliated, where applicable.
- Sponsor must sign-out the ID badge and is responsible for returning the ID badge when the Observership ends.

If an Observer has a valid photo ID from another health care organization (or educational institutional badge), he/she must wear this ID while on hospital premises.

- Provide orientation to the Observer, including:
 - Overview of observing events and times
 - Physical layout of department/program/service area
 - Safety training, as applicable
 - Any applicable departmental policies or procedures
- Ensure that the Observer is under the responsibility of a St. Joseph's staff or affiliate at all times.

Responsibilities of Observer:

- Wear ID badge at all times while in the organization (or recognized educational/organizational ID)
- Respect that unforeseen events may interfere with the Observership, and in this case, the Observer will recognize that his/her Observership may be terminated at the request of the Sponsor, other leaders in the department or the organization.

3. Completion of the Observership (last day):

Responsibilities of the Sponsor:

- Ensure that the St. Joseph's visitor badge is returned upon completion of Observership.
- Where desired, obtain feedback/evaluation from the Observer regarding his/her overall experience to ensure on-going positive relations and quality assurance.

INFECTION PREVENTION AND CONTROL CORE COMPETENCY TRAINING

To ensure the safety of the observer, patients, and staff, you are required to complete the Infection Control Core Competency training modules. These are three e-learning modules that will enhance your knowledge of infection control.

- 1) Hand Hygiene:
https://wwwold.sjhc.london.on.ca/SSL/medical_affairs/hand_hygiene/index2.htm
- 2) Chain of Transmission:
https://wwwold.sjhc.london.on.ca/SSL/medical_affairs/chain/
- 3) Routine Practices:
https://wwwold.sjhc.london.on.ca/SSL/medical_affairs/routine/

I have reviewed all three of the above Infection Control modules and agree to follow the proper steps required to ensure both the safety of myself and the patient throughout this observership.
