

Occupational Health & Safety Services Questions and Answers - Health Screening Process

1. **Q** – Where can I go to obtain documentation of my previous immunization, Tb testing & serology?

A - Family doctor, medical school records, student health services, public health unit where you attended school, Occupational Health & Safety Services at the hospital where you are a current affiliate.

Health documentation may include:

- Vaccination records from yellow immunization cards;
- Notes from physician's offices
- Immigration records
- Public Health Unit Records
- Electronic immunization records (provided they are signed by a physician or nurse)
- Laboratory testing (titres)
- Student Health Records

2. **Q** – Should I complete all my health screening requirements prior to the commencement of my primary appointment or start date?

A – Yes.

MUST: complete all health requirements prior to start date.

- Clinical Fellows
- Professional Staff
- Resident
- Visiting Elective

3. **Q** – Where can I get my immunization updated and/or TB skin testing done? ahead of time, or before my start date?

A – Family doctor, medical school records, student health services, public health unit where you attended school, Occupational Health & Safety Services at the hospital where you are a current affiliate.

4. **Q-** What is the process for TB skin testing

A- You must be available to come back for the follow-up read or test.

I. One step process

- Visit 1 – to have your first test
- Visit 2 – to have your first test read (must be back to the clinic 48 to 72 hours after the first test)

II. 2-Step process

- Visit 1 – to have your first test
- Visit 2 – to have your first test read (must be back to the clinic 48 to 72 hours after the first test)
- Visit 3 – to have your second test (given 7-21 days after the first test)
- Visit 4 – to have your second test read (must be back to the clinic 48 to 72 hours after the second)

5. **Q –** Where do I go if I require help in completing my health screen requirements?

A – Depends on your position and start date. See below for additional information.

Residents & Visiting Electives:

- As a primary rule, for communicating to medical affairs, about whether or not your screening requirements have been met, all residents and visiting electives are cleared by the Nurse in Occupational Health & Safety Services (OHSS) at Victoria Hospital. However; for the sake of convenience, you may be directed to complete testing or immunization at another site. This will be coordinated by the Team Assistant at Victoria Hospital, Room E1-402. Email: ohss-medicalaffairs@lhsc.on.ca
- Residents with a start date that is not July 1 are directed to contact Occupational Health and Safety Services, Team Assistant at Victoria Hospital, Room E1-402. Email: ohss-medicalaffairs@lhsc.on.ca

Clinical Fellows:

LHSC

- As a primary rule, for communicating to medical affairs about whether or not your screening requirements have been met, all clinical fellows are cleared by the Nurse in Occupational Health & Safety Services (OHSS) at Victoria Hospital. However; for the sake of convenience, you may be directed to complete testing or immunization at another site. This will be coordinated by the Team Assistant at Victoria Hospital, Room E1-402. Email: ohss-medicalaffairs@lhsc.on.ca
- Clinical Fellows are directed to contact Occupational Health & Safety Services (OHSS), Team Assistant at Victoria Hospital, Room E1-402. Email: ohss-medicalaffairs@lhsc.on.ca

St. Joseph's Healthcare
