

HAND AND UPPER LIMB SYMPOSIUM

SURGERY & REHABILITATION OF THE UPPER LIMB:

ROTH | MCFARLANE
HAND & UPPER LIMB CENTRE

November 22ND & 23RD, 2019

This 2 day symposium for health professionals will focus on rehabilitation of the elbow, wrist and hand.

Roth McFarlane Hand & Upper Limb surgeons and therapists will share their expertise on the elbow, wrist and hand with an opportunity to attend a cadaver lab for an in-depth review of the anatomy.
