

Celebrating **SCIENCE AND DISCOVERY**

*New Frontiers in Cardiovascular
Disease Prevention*

Join us as we shine the light on cardiovascular disease research.

Guests will enjoy an evening which celebrates
science and discovery at Robarts Research Institute.

The evening includes the presentation of the
2019 J. Allyn Taylor International Prize in Medicine to Dr. Daniel Rader.

TUESDAY, NOVEMBER 12, 2019
THE GREAT HALL
RECEPTION – 5:30 P.M.
DINNER – 6:30 P.M

Tickets are \$100 each
\$50 for students and trainees
