Integrated Practicum students and Clinical Instructors of Nursing must complete both the below																																					
module and checklist:																																					
Module and Checklist:																																					
Glucose Meter training																																					
A screen shot of the completed quiz with a score of 80% or better is required. Upon successful																																					
completion of the online module and quiz, nursing students will be required to complete two																																					
levels of quality control using their barcodes alongside of their preceptor. Please confirm with																																					
POCT once you have completed quality control and that it has been run successfully. Finally,																																					
you will need to email the screen shot of the completed quiz to POCT@lhsc.on.ca.																			X		X																
PYXIS Competency Checklist																			X		X																
Integrated Practicum students ONLY as per preceptor's request must complete the modules																																					
below:																																					
Level 1 Vascular Access and Infusion Therapy: Care, Assessment, and Maintenance																																					
Basic Venipuncture Technique Level 1																																					
Basic Venipuncture Technique Level 2																																					
If your placement is at a <u>mental health care site</u> , you MUST also complete the following two																																					
modules:																																					
Honeywell Personal Staff Alert Device Operation										1 1 40 -					10. 65 -:				4.4		lu o o						11 44-5										111 121 2
Prevention and Intervention in Crisis Situations  **If y	t your placement	at a Mental Health Care S	Site, you MUST a	so complete the Honey	ywell Personal Staff	Alert Device Opera	ation AND Preven	ntion and Intervention	on in Crisis Situations	modules** If your pla	placement is at a Me	ental Health Care Site,	you MUST also complet	e the Honeywell Person	al Staff Alert Device	ce Operation AND Pre	evention and Interve	ntion in Crisis Situations r	odules** If your placen	ent is at a Mental Hea	Ilth Care Site, you MUST also	complete the Honey	well Personal Staff Aler	t Device Operation AN	ID Prevention and Intervent	ion in Crisis Situations r	nodules** If your placem	nt is at a Mental Health Ca	are Site, you MUST	also complete the Hon	eywell Personal Staff Ale	rt Device Operation	n AND Prevention and Int	ervention in Crisis Situ	ations modules** If you	r placement is at a Mental	Health Care Site, yo
If your placement site is at Mount Hope, you MUST also complete the following module:																																					
If your placement site is at Mount Hope, you MUST also complete the following module:  **If your placement site is at Mount Hope, you MUST also complete the following module:  **If your placement site is at Mount Hope, you MUST also complete the following module:  **If your placement site is at Mount Hope, you MUST also complete the following module:	f vour placement	at Mount Horo von 14110	T also complete t	ho Eliminatina Abusa	nd Noglockie Laws	Form Care Contified	tion** If	acomont is at B4 a	Hope you MILCT - L	o complete the Elizat	nating Abuse and M	aglact in Long Tarres Co	uro Cortification** If	nlacoment is at 8.6	Hono you MALICE	also complete the Eli	ninating Abuse and M	aglact in Long Tarres Ca	Cortification** If	acomont is at Marine	Hone you MILET also same I	to the Elimination Al-	ico and Noglect in Law	Torm Care Contification	n** If your placement ! !
