

OUTPATIENT REFERRAL FORM DIABETES & ENDOCRINOLOGY

Please select either **Urgent Endo** or **Routine/Elective** referrals. Complete all sections of this form (URGENT section only if indicated).

You will be notified of the appointment (except for URGENT referrals, in which case we will contact the patient directly, due to time limitations).

This form is not meant for referrals to the Diabetes Education Centre (DEC) or the Primary Care Diabetes Support Program (PCDSP)
